

A diagram of a beach flag template. It features a large, light gray curved shape representing the flag's body, with a pink dashed line indicating the final shape after the pole is attached. A teal circle at the top center contains the text 'Beachflag Drop - S' and '78 x 178 cm'. Below this, there are instructions in German and English, and a list of dimensions and specifications. The diagram also shows a gray vertical bar on the left representing the flagpole, and a pink dashed line forming a 'V' shape at the bottom, representing the flag's attachment to the pole.

Beachflag
Drop - S
78 x 178 cm
